**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support maintaining or expanding broadband competition, and oppose ATT from raising prices and reducing competition.

I have very fast affordable fiber optic service with Sonic.net, because Sonic - a small isp - can still compete with ATT and Comcast, as they don't offer it at an affordable price.

Thank you.

Marcus Borgman
